22th Aug 2022

Action taken Report for the Grievance Redressal Cell for the year Aug 2021'to July 2022

As per the feedback taken from the students and faculty and as a follow up of the grievance cell meeting the following activities are initiated during 2021-2022.

- 1) Additional case studies and site visit will be arranged for all courses in the forthcoming semester.
- 2) Pandemic more hands-on workshop have been planned for students in the upcoming semester to explore product design and materials such as ceramics, glass and biodegradable materials.
- 3) Workshop on brick bonds and arches, training sessions for mud and lime, will be organized specifically to give students practical experience learning post pandemic. This will help to bridge the gap between theory and practice.
- 4) Ideation studio has been planned for fourth year students - Walk from Chandini chowk to Jammi Masjid and 2 day Collaborative workshop with SPA New Delhi on Ideation in the public realm.
- 5) Design studio problem statements to be made more socially conscious by addressing inclusiveness, context and emerging user groups with Live field-based assessments like survey and studies. Expert lectures on Universal design and accessibility will be organised for students.
- 6) More initiatives and techniques will be implemented to link theory and design in the studio, such as hosting lectures on building services by experts in the specific areas of knowledge.
- 7) Exposure to new building materials will be initiated through product lectures by industrial experts, other activities that enhances the awareness of the state-of-the-art in technology.
- 8) More Practising Architects will be invited to share their professional knowledge in Architectural Thesis in the tenth semester. For Rural and Urban design studios Experts in the same core will be invited to share their knowledge with the students. Practising Architects will be invited for more career guidance workshops.
- 9) The upcoming semester will feature a discussion on the creation of the student council.
- 10) Orientation to mental health and well being has been planned to be conducted by Madhumitha, Clinical Psychologist which will help students ability to build core strengths.
