ABOUT THE EVENT:

Event Description : Sexual harassment is an unwelcome sexual behaviour that's offensive, humiliating or intimidating. It can be written, verbal or physical, and can happen in person or online. Anybody can experience sexual harassment, regardless of their gender. When it happens at work, school or university, sexual harassment may amount to a form of discrimination. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act was passed in 2013, defining sexual harassment, laying down the procedures for a complaint and inquiry, and the action to be taken. Prevention of workplace sexual harassment continues to gain traction in spite of the Covid-19 lockdown and employees working remotely. It mandated that every employer must constitute an Internal Complaints Committee (ICC) at each office or branch with 10 or more employees.

With this Background and at the behest of Tamil Nadu State Government's Guidelines and the encouragement of Anna University's POSH cell regarding the issue of sexual harassment, an ICC has been constituted at MSAJAA to spread awareness in students and staff thereby preventing any occurrences on our campus. This event has been organised to launch the activities of the POSH Cell of the Academy with an invigorating awareness session on the topic by Ms. Vidya Shankar - a renowned POSH consultant & Counsellor.
